

Written Statement

Keel & Curley Winery

August 9, 2018

The purpose of this minor modification (PRS) to a Planned Development is the following:

To allow for an additional two thousand five (2500') square feet of developable building space; and

To allow for a banquet/entertainment area, and associated stage/platform area, as shown on the associated site plan to this application.

Applicant reserves the right to amend this request as necessary.
